The image shows a close-up of a red fire truck's side panel. The text "TUCSON FIRE DEPT" is painted in a stylized, bold, yellow font with a black outline. The word "TUCSON" is on the top line, "FIRE" is on the second line, and "DEPT" is on the third line. The letters are slanted to the right. To the left of the text is a large, stylized yellow letter "T" with a black outline. The background is red with white horizontal stripes. A small, clear, rectangular light fixture is visible in the top left corner.

This control panel is mounted on a black background. It features a large silver circular emergency stop button on the left. To its right is a control panel for the "POWERED EQUIPMENT RACK" with "MASTER" and "LIFT" buttons and a "DANGER" warning label. Further right is a control panel for the "CAB LIFT" with a "RATE" selector, "LOWER" and "ACTIVATE" buttons, and a "DANGER" warning label that includes the instruction: "CHECK ALL CAB STEPS ARE FOLDED UP BEFORE RAISING CAB".

This section of the control panel features a large, circular, chrome-plated fire hydrant with a red body and a black top. The top of the hydrant has an American flag graphic and the "Pierce" logo. To the right of the hydrant are two large circular components, one of which is a "CAB LIFT" control with a "DANGER" warning label. Another "DANGER" warning label is located to the right of the hydrant.

This section of the control panel features a large, chrome-plated fire extinguisher with a red body and a black top. The top of the extinguisher has a "Pierce" logo. To the right of the extinguisher is a row of seven push buttons with different colored caps: purple, green, red, orange, and silver.
