WARNING
Emergency Hazard
Secure hose and other
equipment before
leaving vehicle.
Loose hose may slip
and cause injury and
damage.

WARNING
Only trained personnel should operate this equipment.
Personnel connecting supply or discharge hoses must be trained to recognize and respond to water hydraulic hazards and component condition.
Do not operate or service until you have read, understood, and know of the standards including 1511, 1451, 1302, 1077A Handbooks, and the operation and service manuals supplied with this equipment.
Replacement manuals are available from the manufacturer of this apparatus.
Operating or servicing without knowledge or training may lead to injury or death for you or others.

CAUTION
Operator must maintain a safe and clear area around the pump and hose reel.
Hose reel must be fully extended.
